RE: 2016 Expenditure Report
Bankruptcy Case No. 1: 15-bk-10003-MFW; EPA ID No. VID980536080

Dear Ms. Stein, Ms. Henry, Mr. Frankel, Mr. Walker:

The HOVENSA Environmental Response Trust (ERT), in accordance with Section 3.2.2 of the February 17, 2016 ERT Agreement, is submitting the enclosed annual report of ERT expenditures. Please note that the ERT Agreement requires this report by January 1 of each year and to effectively meet that deadline charges for December were estimated in the enclosed report. Upon final receipt of all invoices for work completed in 2016, the HOVENSA ERT will revise and redistribute this report. It is requested that this reporting requirement be amended so that beginning in 2017 the due date for the annual report be January 31 of the year following the reporting year.

As required, the budget for 2016 was submitted on April 15, within sixty days following the ERT effective date. Revisions were submitted on July 18 and October 13, 2016 and the budget has been approved by the United States Department of Justice (U.S. DOJ), Virgin Islands Department of Planning and Natural Resources (VI DPNR) and the Virgin Islands Attorney General. It is our understanding that approval from the United States Environmental Protection Agency (U.S. EPA) is forthcoming.

HOVENSA Environmental Response Trust

The ERT operated within budget in 2016; total estimated expenditures for 2016 are \$5,898,034 which is below the budgeted amount of \$8,142,603. Some notable differences between the budgeted amounts and estimated actuals include:

- \$1,000,000 was not expended in 2016 as budgeted for removal of materials from the Scrap Metal / Recycle Yard. This work is scheduled to begin in the first quarter of 2017 and the \$1,000,000 has been rolled into in the 2017 budget.
- Due to process improvements and deferral of some work items, an estimated \$597,103.48 was not expended from the Corrective Action / Remediation / Hydrocarbon Recovery line item.
- The ERT has not yet been directed to release funds for the PRI Consent Decree Water and Power Authority (WAPA) project and this resulted in an excess of \$397,320.98 in the 2016 budget. These funds are included in the 2017 budget and the ERT is prepared to distribute the funds as directed.
- The Marine Impact Study, directed by DPNR, began as anticipated in 2016 and the ERT has distributed \$210,000 of the \$320,000 allocated for this project. Completion of the study is anticipated in 2017 and the remaining \$110,000 for this project is scheduled for payment between now and early 2017.

In addition to the enclosed report of estimated expenditures for 2016, a summary table of 2016 invoices is attached and copies of all invoices are provided on the thumb drive included with this report.

If additional information is required, please contact Carey Guilbeau at (340) 692-3179.

Sincerely,

Roberto Puga, P.G.
